HERITAGE CONSERVATION AND RESTORATION AT THE HAMILTON SPRING HOME & GARDEN SHOW

Home Renos Meet Heritage Restoration

The Canadian Warplane Heritage Museum, Ontario, Canada – April 6th – 8th, 2018 – ARA Ltd. is at the Hamilton Spring Home & Garden Show presented by RE/MAX Escarpment Realty. At booth #715, visitors can find heritage-restoration experts to help restore windows, doors, porches, and much more!

Owning a heritage building is enormously rewarding but comes with its own unique responsibilities. Certain elements of a heritage building tend to suffer in their fight against time. ARA's heritage-restoration specialists will revive the charm and beauty of these elements with unmatched historical accuracy. Learn about the ways restored features can be as energy-efficient or more than those constructed of modern building materials. Visitors can book a consultation with our expert heritage-restoration staff to get their restoration project started.

Extend the life of your heritage building with unmatched historical accuracy. To learn more about heritage conservation and restoration services provided by ARA Ltd., visit <http://arch-research.com/hrc.htm>. Follow us on [Facebook](#), [Twitter](#), [Instagram](#), and [LinkedIn](#) for updates leading up to the event.

Visit booth #715 at The Hamilton Spring Home & Garden Show from April 6th-8th for heritage-restoration solutions from our Heritage Conservation and Restoration team.

About Company:

Founded in 1972, ARA is Ontario's oldest heritage consulting firm. Our Heritage Conservation and Restoration Team understands the delicate balance required to refit your historical building in an era of increasing energy costs and concern for the environment, while preserving and enhancing its essential character. Let ARA's heritage conservation and restoration specialists provide the best solutions that fit your needs while respecting the historic fabric of your building. Our heritage-restoration team would be proud to make a lasting contribution to the charm of your heritage building.
