## HERITAGE CONSERVATION AND RESTORATION AT THE KW HOME & GARDEN SHOW

---

### Heritage Restoration Solutions

**Kitchener Memorial Auditorium Complex, Ontario, Canada – March 23<sup>rd</sup> – 25<sup>th</sup> 2018** –ARA Ltd. is pleased to announce that they will be showing at the Kitchener Waterloo Home & Garden Show. At booth A311 in the Kinsmen Arena, visitors can find heritage restoration experts to help restore windows, doors, porches, and much more!

Your building was constructed with pride by craftspeople throughout history. ARA's heritage restoration specialists will revive the charm and beauty of your property while providing the energy-saving benefits of modern building materials. Extend the life of your heritage building with unmatched historical accuracy. Our team is looking forward to meeting attendees, and the opportunity to educate visitors about the advantages of restoring their heritage property. Visitors can book a consultation with our expert heritage restoration team and get their restoration project started.

Owning a heritage building is enormously rewarding but comes with its own unique responsibilities. Over time, certain features of a heritage building tend to suffer in their fight against the elements. To learn more about heritage conservation and restoration services provided by ARA Ltd. visit <http://arch-research.com/hrc.htm>. Follow us on [Facebook](#), [Twitter](#), [Instagram](#), and [LinkedIn](#) for updates leading up to the event.

Visit booth A311 at The Kitchener Waterloo Home and Garden Show from March 23<sup>rd</sup> – 25<sup>th</sup> for heritage restoration solutions from our Heritage Conservation and Restoration team.

### About Company:

Founded in 1972, ARA is Ontario's oldest heritage consulting firm. Our Heritage Conservation and Restoration team understands the delicate balance required to refit your historical building in an era of increasing energy costs and concern for environment, while preserving and enhancing its essential character. Let ARA provide the best solutions that fit your needs while respecting the historic fabric of your building. Our Heritage Conservation and Restoration team would be proud to make a lasting contribution to the charm of your heritage building
